EDITOR'S NOTES

I am greatly indebted to Mary Vance,
Librarian of the City Planning and Landscape
Architecture Library, for planning and
supervising preparation of this Cumulative
Index and to Ronald E. Kaliszewski and
Kenneth E. Sulzer, Graduate Assistants, for
their help in putting the material together.

GEOGRAPHICAL INDEX	44
CONTRIBUTOR INDEX.	60

Digitized by the Internet Archive
in 2012 with funding from
University of Illinois Urbana-Champaign

SUBJECT INDEX

AERIAL PHOTOGRAPHS

- 1:2-47 The use of aerial photographs in the delimitation of the central business district.

AESTHETIC CONTROL

- 4:1-1 Planning for community design.

AESTHETICS

See URBAN DESIGN

AGRICULTURE

- 2:1-13 The impact of urbanization on agriculture in Santa Clara Valley.
- 3:1-27 Metropolitan growth and the conversion of land to nonagricultural uses.

AIR TRANSPORTATION

- 4:1-6 Theory of long-distance airline travel.

AIRPORTS

- 2:2-44 Airport Zoning.
- 4:1-4 A study of the practice and theory of airport financing based on a survey of California airports.

See also AVIATION

ANNEXATION

- 2:2-37 An Analysis of Property Tax Bill Differentials Between Recently Annexed Urban Areas and Their Parent Townships.
- 3:1-26 Suburban growth and the extension of municipal services.
- 7:1-19 New role for townships.

ARCHITECTURAL PRESERVATION

See HISTORIC PRESERVATION

AREA DEVELOPMENT

- 1:2-55 Government and the Depressed Area: A Study of Southern Illinois.

AREA DEVELOPMENT (continued)

- 2:1-5 Science and Technology for World Development.
- 2:1-23 Comprehensive urban development and federal government housing policies in Canada.
- 3:1-3 The spatial structure of economic development in the Tennessee Valley Region 1930-1950.
- 3:1-11 Measures prerequisite to the development of land and water in Iran.
- 3:2-31 Economic Development and Urban Living Conditions.
- 7:2-36 The Housing Problem in Under-Developed Areas.

ATTITUDE STUDIES

- 1:1-10 Leadership and social change: the reactions of a selected group to industrialization and population influx.
- 2:1-28 Residents' knowledge about the Berkeley Master plan.
- 2:2-31 Houses Are for People: A Study of Home Buyer Motivations.
- 2:2-33 Livability in the City: Attitudes and Urban Development.
- 3:1-13 Social science application to housing design.
- 3:1-14 Criteria for improved housing design based on family living characteristics.
- 3:1-17 Comparison of responses to mail questionnaires and personal interviews in consumer shopping habit surveys.
- 3:2-47 Livability in the City: Attitudes and Urban Development.
- 5:1-7 Relocation and mental health: Adaptation under stress.
- 5:1-8 A participant-observation study of a slum community facing redevelopment.
- 5:2-13 A study of attitude of various groups toward urban planning.
- 5:2-16 A participant-observation study of a slum community facing redevelopment.
- 6:2-8 Attitudes Toward the City: A Philosophic History.

ATTITUDE STUDIES (continued)

- 7:1-15 Community typology based on a scale of adjustments and values.

AUTOMATIC DATA PROCESSING

- 2:2-32 A Polk Directory Analysis of the CBD.
6:1-15 Scientific concepts for city planners.
6:2-19 Potential Influence of Information Technologies upon Metropolitan Organizations.
7:1-9 Automated data master planning project.

AVIATION

- 7:2-9 A study of general aviation in California.

See also AIRPORTS

BUILDING LAWS

- 1:1-6 Building height and coverage regulations in Egypt and the U. S.

BUILDING TRADE

- 6:1-6 The building industry in California: A Study of Management in Action.
6:2-2 Determinants of Residential Construction.
7:2-23 The Rehabilitation of Multiple Dwellings.

BUSES

See TRANSIT

BUSINESS DISTRICTS

- 1:1-33 Changes in locational patterns of selected economic activities in San Francisco-Oakland and Los Angeles Metropolitan Area Cities.
4:1-17 Commercial land use projection for Philadelphia.
5:1-15 An aggregation analysis of arterial business.
5:2-21 Studies of highway development and geographic change.

See also CENTRAL BUSINESS DISTRICTS

OFFICES

BUSINESS DISTRICTS (continued)

SHOPPING CENTERS

RETAIL TRADE

CENTRAL BUSINESS DISTRICTS

- 1:1-1 Land uses that require a central business district location.
- 1:1-5 Problems of the central business district.
- 1:1-16 Daytime population in central business districts: an analysis of cities of different size.
- 1:1-29 Central city property values in San Francisco and Oakland.
- 1:2-46 A comparative study for the CBDs of nine moderate sized cities.
- 1:2-47 The use of aerial photographs in the delimitation of the central business district.
- 1:2-48 The Coincidence of Certain Types of Establishments with the Edge of the Central Business District.
- 2:1-10 The core of the city: A study of locational relationships among land uses in urban centers.
- 2:2-32 A Polk Directory Analysis of the CBD.
- 2:2-38 The Dynamics in the Location of Non-Retail Functions in the Central Business District.
- 2:2-39 The Structure of a Metropolitan Business District in Terms of Land Values.
- 3:2-41 Evolution of the Central Business District of Worcester, Massachusetts.
- 4:1-8 Evolution of the central business district of Worcester, Massachusetts.
- 4:2-32 The oil city central business district as exemplified by the Midland-Odessa (Texas) combine.
- 5:2-22 Studies of the central business district and urban freeway development.
- 5:2-25 A comparison of two oil city business centers: Odessa, Midland, Texas.

CENTRAL BUSINESS DISTRICTS (continued)

- 5:2-27 The development of the pattern of retail trade centers in a selected area of Southwestern, Iowa.
- 6:1-10 A comparison of two oil city business centers: Odessa-Midland, Texas.
- 6:2-27 The Effect of Transportation upon Central City Land Values.
- 7:2-21 An Investigation of the Effects of Freeways on Central Business Districts.
- 7:2-24 The Revitalization of Main Street, U. S. A.

CITIZEN PARTICIPATION

- 2:1-15 Process of control and urban development.
- 4:1-2 Local organization for urban renewal.
- 7:1-1 Local organization for urban renewal.

CITY GOVERNMENT

See LOCAL GOVERNMENT

CITY GROWTH

See URBAN DEVELOPMENT

CITY PLANNING

- 1:1-4 Application of selected sociological concepts to city planning.
- 1:1-8 Soviet city and regional planning.
- 3:1-12 An approach to contemporary urban planning.
- 4:2-25 Community planning and housing: An aspect of Canadian Federalism.
- 4:2-27 Urban planning in relation to urbanization trends in Latin America.
- 5:1-4 The concepts of standards and requirements in public school planning: A case study in community planning method.
- 5:1-10 Role of the planner.
- 5:2-13 A study of attitude of various groups toward urban planning.

CITY PLANNING (continued)

- 6:1-1 The social goals of contemporary British town planning
- 6:1-15 Scientific concepts for city planners.
- 6:1-20 Development of physical planning principles: The Idea City.
- 6:2-18 The Politics of Transformation: Typologies of Municipal Alteration of the Physical Environment.
- 6:2-36 Towards some definition of planning objectives.
- 7:1-2 Cost-benefit analysis in city and regional planning.
- 7:1-8 Politics and community planning.
- 7:1-9 Automated data master planning project.
- 7:1-11 A method to identify the social, physical and economic characteristics of an area or municipality.
- 6:1-1 and
- 7:2-4 The social goals of contemporary British town planning

CITY PLANNING - STUDY AND TEACHING

- 2:1-26 A syllabus for teaching housing and town planning in the junior and senior high schools of New York City.
- 7:1-10 Effectiveness of adult education methods in relation to the characteristics of the community where they are utilized.

CITY PLANS

- 1:1-26 The urban general plan: a study of the nature of the urban general plan as determined by the political and technical functions that the plan is intended to perform.
- 1:2-58 The visual survey for the preparation of the urban general plan.
- 2:1-6 The Urban General Plan.
- 2:1-28 Residents' knowledge about the Berkeley Master plan.
- 2:2-35 Flood Problems and Their Solution Through Urban Planning Programs.
- 2:2-56 The Urban General Plan.

CITY SIZE

5:1-19 Alternate explanations of urban rank-size relationships.

6:2-13 Economic Implications of City Size.

COLLEGES

See UNIVERSITIES AND COLLEGES

COMMERCIAL AREAS

See CENTRAL BUSINESS DISTRICTS and BUSINESS DISTRICTS

COMMUNICATIONS

7:2-39 Information Input Overload in Social Institutions.

COMMUNITY FACILITIES

2:2-46 Study of Standards and Requirements for Selected Community Facilities and Services.

3:1-22 Costs and revenues resulting from community growth.

3:1-26 Suburban growth and the extension of municipal services.

3:2-50 Expenditures and Regulatory Requirements for Publicly-Provided Community Facilities in New and Existing Residential areas.

3:2-54 Physical Requirements of Housing and Renewal Policies.

COMPULSORY ACQUISITION OF LAND

See EMINENT DOMAIN

COMPUTER ANALYSIS

See AUTOMATIC DATA PROCESSING

CONFERENCES

7:2-2 Community conference program.

CONSERVATION

7:1-21 Nature in the metropolis.

COUNTY GOVERNMENT

See LOCAL GOVERNMENT

COUNTY PLANNING

1:2-40 Aspects of the urban Southeast: As related to city growth, development and planning.

1:2-57 Role of the general physical planning agency in California County government.

DATA COLLECTING

See URBAN RESEARCH

DENSITIES

See RESIDENTIAL DENSITIES

DEPRESSED AREAS

See AREA DEVELOPMENT

DESIGN

See URBAN DESIGN

DISASTERS

See HURRICANE REHABILITATION and FLOOD DAMAGE PREVENTION

DISCRIMINATION

7:2-3 Interaction between discrimination, interregional migration and regional economics development.

DISCRIMINATION IN HOUSING

2:2-48 Philadelphia Eastwick Housing Market Analysis.

6:2-15 Issues of Race in Northern Cities.

7:1-24 Demand for housing in racially mixed areas.

ECOLOGY, HUMAN

See HUMAN ECOLOGY

ECONOMIC BASE

3:1-25 Economic base theory and urban development.

ECONOMIC BASE (continued)

3:2-48 Economic Base Theory and Urban Development.

6:1-16 Methodology of the economic base analysis.

ECONOMIC BASE SURVEYS

2:1-11 Mechanics of the urban economic base.

7:2-61 The Minimum Requirements Approach to the Urban Economic Base.

ECONOMIC DEVELOPMENT

1:1-13 Economic development analysis for industrial land and facilities.

2:1-5 Science and Technology for World Development.

3:2-31 Economic Development and Urban Living Conditions.

7:2-3 Interaction between discrimination, interregional migration and regional economic development.

7:2-45 Transportation and Economic Development.

ECONOMIC FORECASTS

1:2-37 A method for relating population distribution to a changing economic structure.

ECONOMIC RESEARCH

7:2-34 Source and Data Aids to Urban Economic Research.

7:2-59 Value of Human Capital as a Regional or Community Welfare Index.

7:2-62 Data Sources for Regional Accounts.

ECONOMIC SURVEYS

1:2-39 Techniques for analyzing the make-up and vitality of the urban economy.

1:2-53 United States - Puerto Rico Economic Relations.

2:1-12 Future population characteristics in the New Jersey-New York-Connecticut Metropolitan Region.

2:1-4 The Spatial Structure of Economic Development in the the Tennessee Valley Region: A Study in Regional Planning.

ECONOMIC SURVEYS (continued)

- 3:1-3 The spatial structure of economic development in the Tennessee Valley Region 1930-1950.
- 7:2-51 Economic Study of the Pittsburgh Region.

ECONOMICS

- 1:2-41 Analysis of a regional economy: The role of hydro-electric power in the development of the Pacific Northwest.
- 2:1-17 A city planning oriented economic model.
- 4:2-36 The Base - service ratio and community income levels.
- 5:2-14 An analysis of differences in the export-service employment ratios of selected cities in the United States.
- 6:1-23 The economic geometry of urban structure: A general model of land utilization by the urban household sector.
- 6:1-27 Capabilities of independence among communities within the Boston standard metropolitan area.
- 6:2-13 Economic Implications of City Size.
- 7:1-23 Economic inter-relations in the Piedmont industrial crescent.

See also PUBLIC ENTERPRISE ECONOMICS

EMINENT DOMAIN

- 6:2-9 British Legislative Provisions Governing Compulsory Acquisitions of Land.

EMPLOYMENT

- 1:1-25 Employment trends, 1942-1951, in the New Jersey-New York-Connecticut metropolitan region.
- 5:2-14 An analysis of differences in the export-service employment ratios of selected cities in the United States.

EXPRESSWAYS

- 1:1-23 Traffic diversion to an expressway.
- 4:1-5 A study of express bus operation on freeways.

EXPRESSWAYS (continued)

- 4:1-9 The economic and social effects of the Connecticut turnpike on Eastern Connecticut.
- 4:2-48 Urban freeway development and financing.
- 6:1-22 Planning and Expressway location selection - A case study.
- 5:1-13 Economic impact of urban freeway systems.
- 5:2-7 The economic and Social effects of the Connecticut turnpike on Eastern Connecticut.
- 5:2-22 Studies of the central business district and urban freeway development.
- 6:2-5 Minimum Cost Spacing of Arterials and Expressways.
- 6:2-35 Land use developments at freeway interchanges.
- 7:1-25 Land development problems at freeway interchanges.
- 7:2-21 An Investigation of the Effects of Freeways on Central Business Districts.

FARM HOUSING

See HOUSING, RURAL

FINANCE, MUNICIPAL

See MUNICIPAL FINANCE

FLOOD DAMAGE PREVENTION

- 2:2-35 Flood Problems and Their Solution Through Urban Planning Programs.
- 7:2-62 Urban Flood Maps.

FLOOD PLAINS

- 4:2-28 Changes in urban occupancy of flood plains in the United States.
- 5:1-3 Changes in urban occupancy of flood plains in the United States.
- 5:2-23 Changes in urban occupance of flood plains in the United States.

FOREIGN TRADE

- 3:2-36 Free Ports and Foreign Trade Zones of the United States and Northern Europe.

FREEWAYS

See EXPRESSWAYS

GENERAL PLANS

See CITY PLANS

GEOGRAPHY

See URBAN GEOGRAPHY

GOVERNMENT

- 5:1-1 Political areal functional organization; with special reference to St. Cloud, Minnesota.

- 7:1-18 Public authorities in Michigan.

GOVERNMENT, LOCAL

See LOCAL GOVERNMENT

GOVERNMENT POLICY

- 1:2-55 Government and the Depressed Area: A Study of Southern Illinois.
- 1:2-57 Role of the general physical planning agency in California County government.
- 4:2-25 Community planning and housing: an aspect of Canadian Federalism.
- 6:2-9 British Legislative Provisions Governing Compulsory Acquisitions of Land.

GREEN BELTS

- 1:2-42 A preliminary definition of the theory and use of "Green Belts" and "Country Belts" to delimit the size of urban areas.

HEALTH, MENTAL

- 5:1-7 Relocation and mental health: Adaptation under stress

HIGHWAY COST

- 6:2-5 Minimum Cost Spacing of Arterials and Expressways.

HIGHWAY FINANCE

- 4:1-20 An analysis of highway finance and road user imposts in Canada.
- 4:2-47 Investment policy and transportation cost in a highway system.
- 4:2-48 Urban freeway development and financing.

HIGHWAY IMPACT STUDIES

- 4:1-9 The economic and social effects of the Connecticut turnpike on Eastern Connecticut.
- 4:1-14 Economic study of impact of Massachusetts highway 128 on adjacent land use.
- 4:2-42 Effect of non-limited access by passes on two cities.
- 4:2-45 Atlas of highways and urban centers.
- 4:2-46 Highway transportation and urban economic activities: The case of Marysville, Washington.
- 5:1-9 Study of economic impact of Massachusetts route 128.
- 5:1-13 Economic impact of urban freeway system.
- 5:1-15 An aggregation analysis of arterial business.
- 5:1-17 Transportation and the utilization of medical services.
- 5:1-20 Influence of highway improvements on urban land: A graphic summary.
- 5:1-21 Washington highway impact studies.
- 5:2-7 The economic and social effects of the Connecticut turnpike on Eastern Connecticut.
- 5:2-19 An evaluation of two non-limited access by passes in Indiana.
- 5:2-20 Geographic impact of highway improvement.
- 5:2-21 Studies of highway development and geographic change.
- 5:2-22 Studies of the central business district and urban freeway development.
- 6:1-19 The relationship of land development to highway location.

HIGHWAY IMPACT STUDIES (continued)

- 6:2-27 The Effect of Transportation upon Central City Land Values.
- 6:2-29 Factors Influencing Land Development Patterns: An Investigation of the Relationship Between the Location of Residential Subdivisions, Major Highways, and Industries in Guilford County, North Carolina.
- 6:2-35 Land use developments at freeway interchanges.
- 7:1-25 Land development problems at freeway interchanges.

HIGHWAY LEGISLATION

- 2:2-51 Highway Laws Study.
- 3:1-18 Vehicular speed regulation.

HIGHWAYS

- 4:1-12 Graphic and verbal record of highway environment.
- 4:1-19 Rural highway classification and evaluation procedures for Indiana Counties.
- 5:1-22 Analysis of highway networks: A linear programming formulation.
- 6:2-34 Estimation by Sample Survey Methods of Highway Needs for County Primary Road Systems in Michigan and Minnesota.
- 7:2-6 An economic approach to the distribution of highway revenues in California.
- 7:2-53 Highway Impact in Urban Areas.

TRAFFIC

TRANSPORTATION

HISTORIC PRESERVATION

- 6:1-2,
- 6:2-1 and
- 7:2-5 An investigation of how best to use existing architectural forms in city design.

HISTORICAL STUDIES

- 3:2-51 A History of Town and Country Development.

HISTORICAL STUDIES (continued)

- 6:1-3 Land use patterns in Los Angeles 1924-1954.
- 6:1-20 Development of Physical planning principles: The ideal city.
- 6:2-8 Attitudes toward the City: A Philosophic History.
- 6:2-11 Criteria for Urban Design.
- 6:2-12 Development Decisions in Early Suburbs of the Boston Metropolitan Area.
- 6:2-20 Settlement Patterns: An Introduction to Cross-cultural Analysis of Space Utilization.
- 6:2-22 Utility of Boston's Metropolitan District Commission.
- 7:1-17 History of city government - Vol. II.
- 7:1-19 New role for townships.

HOSPITALS

See MEDICAL SERVICES

HOUSING

- 1:1-17 The planning of urban housing environment: selected research projects basic to urban housing.
- 1:1-19 Housing and human values.
- 2:1-8 Capital formation in residential real estate: Trends and prospects.
- 2:1-9 The utilization of American housing.
- 2:2-31 Houses are for People: A Study of Home Buyer Motivations.
- 2:2-55 Local Government Policy-Making and New Residential Development.
- 2:2-58 The Future of Housing in Bangor (Maine).
- 3:1-1 Urban renewal in a Chicago neighborhood: An appraisal of the Hyde Park-Kenwood renewal program.
- 4:2-25 Community planning and housing: an aspect of Canadian Federalism.
- 5:2-1 New housing for negroes: recent experience.

HOUSING (continued)

- 5:2-8 Study of housing needs of the aged.
- 5:2-15 Measurement of apartment building equity investment experience.
- 6:1-12 Study of housing needs of the aged.
- 6:2-21 The Urban Family House: A Project in Design.
- 6:2-31 Minimum Standards for Dwellings.
- 7:1-24 Demand for housing in racially mixed areas.
- 7:2-12 Mortgage Lending in California, 1950-1960.
- 7:2-36 The Housing Problem in Under-Developed Areas.

DISCRIMINATION IN HOUSING

PUBLIC HOUSING

HOUSING, PREFABRICATED

- 1:1-20 Practices and precepts of marketing prefabricated houses.
- 2:2-30 Marketing Handbook for the Prefabricated Housing Industry.

HOUSING, RURAL

- 1:1-21 Farm housing in the United States.
- 2:2-43 Rural Housing Reconstruction in Egypt.
- 3:1-15 Adjustments in the rural housing inventory in selected regions of New York state.
- 4:2-34 Measuring the quality of housing.

HOUSING - STUDY AND TEACHING

- 2:1-26 A syllabus for teaching housing and town planning in the junior and senior high schools of New York City.

HOUSING COSTS

- 2:2-42 The Economics of Slum Housing - Implications for Urban Redevelopment Plans and Policies.
- 4:2-35 High cost of public housing.
- 7:2-49 Residential Renewal Priorities - A Financial Analysis.

HOUSING DESIGN

- 3:1-13 Social science application to housing design.
- 3:1-14 Criteria for improved housing design based on family living characteristics.

HOUSING FINANCE

- 4:1-10 Home buying and financing trends in selected urban areas of New York State.
- 5:2-9 Home buying and financing trends in selected urban areas of New York State.
- 6:1-11 Home buying and financing trends in selected urban areas of New York State.

HOUSING MARKETS

- 1:1-20 Practices and precepts of marketing prefabricated houses.
- 1:1-30 Housing market study.
- 1:2-43 Eastwick housing market analysis.
- 2:1-3 Philadelphia - Eastwick Housing Market Analysis.
- 2:2-30 Marketing Handbook for the Prefabricated Housing Industry.
- 2:2-48 Philadelphia - Eastwick Housing Market Analysis.
- 6:2-2 Determinants of Residential Construction.
- 7:1-3 Housing for the elderly.
- 7:1-24 Demand for housing in racially mixed areas.
- 7:2-46 The Housing Market and Urban Renewal.

HOUSING POLICY

- 1:2-56 The tax system and modern housing policy.
- 2:1-22 Housing problems and policies in a developing economy - the commonwealth of Puerto Rico.
- 2:1-23 Comprehensive urban development and federal government housing policies in Canada.
- 2:2-55 Local Government Policy-Making and New Residential Development.

HOUSING POLICY (continued)

- 3:2-54 Physical Requirements of Housing and Renewal Policies.

HOUSING RELOCATION

See RELOCATION

HUMAN ECOLOGY

- 3:2-38 Functional organization of the Adelaide Region, Australia.
- 6:2-20 Settlement Patterns: An Introduction to Cross-Cultural Analysis of Space Utilization.
- 7:1-13 Comparative study of white collar and blue collar suburban developments.
- 7:2-10 Ecological Characteristics of Consumer Behaviour.

HURRICANE REHABILITATION

- 2:2-34 Long-Range Hurricane Rehabilitation.

HYDRO-ELECTRIC POWER

See RESOURCE DEVELOPMENT

INCOME

- 4:2-36 The base-service ratio and community income levels.
- 7:2-30 County Income Study.

IDEAL CITIES

- 6:1-20 Development of physical planning principles: The Ideal City.

INDUSTRIAL DEVELOPMENT

- 1:1-9 Urbanization in metropolitan areas affected by building of large industrial plants.
- 1:1-10 Leadership and social change: the reactions of a selected group to industrialization and population influx.
- 1:2-38 Selected planning and development problems of rural areas experiencing industrialization and rapid urbanization.
- 3:2-43 Study of the Expansion Trends in the Automobile Industry

INDUSTRIAL DEVELOPMENT (continued)

- 3:2-53 Methods of Projecting Long-Range Industrial Development Trends.
- 6:1-17 Impact (by 1965) of the St. Lawrence Seaway on industrial development in the Chicago standard metropolitan area and its Illinois hinterland.
- 6:1-26 An analysis of the nonbasic industrial development potential of Fairfax County, Virginia.
- 7:1-7 The St. Lawrence Seaway: Its impact, by 1965, upon industry of metropolitan Chicago and Illinois waterway - associated areas.
- 7:2-48 The Economics of Industrial Renewal.

INDUSTRIAL DISTRICTS

- 1:1-3 Planned industrial districts.
- 2:1-2 City of Philadelphia. Industrial Land and Facilities Requirements.
- 2:2-47 Philadelphia Metropolitan Area Industrial Land and Facilities Requirements.
- 7:2-27 Urban Renewal in East Harlem, New York.

INDUSTRIAL LOCATION

- 1:1-13 Economic development analysis for industrial land and facilities.
- 1:1-27 Industrial zoning in the San Francisco Bay area.
- 1:2-54 Location Factors in the Petrochemical Industry with Special Reference to Future Expansion in the Arkansas-White-Red River Basins.
- 3:1-7 Development of standards for delimiting potential industrial sites.
- 3:2-39 Manufacturing Structure and Pattern of Waukegan - North Chicago.
- 3:2-42 Development of Standards for Site Analysis.
- 5:2-3 A study of the movement of industry within the metropolitan area of Chicago.
- 6:2-29 Factors Influencing Land Development Patterns: An Investigation of the Relationship Between the Location of Residential Subdivisions, Major Highways, and Industries in Guilford County, North Carolina.

INDUSTRIAL LOCATION (continued)

- 6:2-30 Industry and City Government: A Study of New Industry in Ten North Carolina Cities.
- 7:1-12 The control of manufacturing establishments in the U. S. (1954): A study of dominance in inter-community relations.

INDUSTRIES

- 2:1-20 Industries and community finances.
- 3:1-10 Locational factors for the office function of industry.
- 6:1-24 Interindustry relations of a metropolitan area.
- 7:2-61 Industrial Water Use.

JOURNEY TO WORK

- 1:1-18 Journey to work in northeastern United States.
- 2:1-1 Commuting Patterns of Industrial Workers: A Study of Experience since 1940 in the Northeast Region.
- 2:2-45 The Journey to Work in American Cities.
- 3:1-23 Journey to work in the New Jersey-New York-Connecticut Metropolitan Region.
- 3:2-32 A Method of Forecasting Intro-Metropolitan Commuter Travel.
- 6:1-21 Study of the Journey to Work.
- 4:1-13 Patterns of employee residence in relation to place of work in Decatur, Illinois.
- 4:1-21 Percentage of employed persons using public transit for the journey to work.
- 4:2-38 Employment linkages in a small metropolitan area.
- 5:2-10 Analysis of intercounty commuting of workers in Georgia
- 5:2-11 Pattern of employee residence in relation to place of work in the Decatur, Illinois region.
- 6:1-28 Staggering of work hours in the city of New York to relieve transit congestion.

LABOR

7:2-61 Labor Market Areas.

LABOR MOBILITY

7:2-42 Labor Mobility Patterns in the Piedmont Industrial Crescent.

LAND SUBDIVISION

See RESIDENTIAL AREAS

LAND USE

- 1:1-1 Land uses that require a central business district location.
- 1:1-24 The relation of land use and traffic generation.
- 1:2-59 A case study of land use in San Francisco.
- 2:1-10 The core of the city: A study of locational relationships among land uses in urban centers.
- 2:2-33 Livability in the City: Attitudes and Urban Development.
- 2:2-53 Land Use Relationships with Travel Patterns.
- 3:1-4 Land use and traffic generation (C.A.T.S.).
- 3:1-19 Land uses in small Illinois communities.
- 4:1-7 Relationships of measures of intra-urban accessibility to intensity and type of land use.
- 4:1-14 Economic study of impact of Massachusetts highway 128 on adjacent land use.
- 4:1-16 Land use inventory.
- 4:1-17 Commercial land use projection for Philadelphia.
- 4:2-26 Land use related to selected fiscal issues.
- 6:1-23 The economic geometry of urban structure: A general model of land utilization by the urban household sector.
- 4:2-31 The scrap iron and steel industry in the Chicago metropolitan area - A study in wholesaling land use.
- 4:2-44 A field theory of land use and the movement of people.

LAND USE (continued)

- 5:1-2 The scrap iron and steel industry in the Chicago metropolitan area - A study in wholesaling land use.
- 5:1-9 Study of economic impact of Massachusetts route 128.
- 6:1-3 Land use patterns in Los Angeles 1924-1954.
- 6:2-16 Measurement of Urban Traffic.
- 6:2-35 Land use developments at freeway interchanges.
- 7:1-25 Land development problems at freeway interchanges.
- 7:2-15 A Land Use Comparison for the Years 1950 to 1960 of the Cincinnati Metropolitan Analysis Area.
- 7:2-41 A Pilot Investigation of Determinants of Land Development.
- 7:2-50 Urban Transportation and Land Use Patterns: Some New Aspects of Urban Traffic and its Relationship to the Location of Activities in Urban Areas.

LOCAL GOVERNMENT

- 3:1-29 Local organization for urban renewal.
- 3:2-44 The Role of the Planning Director in a Council-Manager Form of City Government.

LOCAL GOVERNMENT (continued)

- 6:2-18 The Politics of Transformation: Typologies of Municipal Alteration of the Physical Environment.
- 6:2-24 Research Studies on Municipal Manpower.
- 6:2-30 Industry and City Government: A Study of New Industry in Ten North Carolina Cities.
- 7:1-1 Local organization for urban renewal.
- 7:1-6 Mapping the political characteristics of medium-size metropolitan areas.
- 7:1-8 Politics and community planning.
- 7:1-17 History of City Government - Vol. II.
- 7:1-19 New role for townships.
- 7:1-20 Four-cities study of local political process.
- 7:2-55 Pilot Study for the Development of a Methodology for Comparing Services Performed by Local Government.
- 7:2-56 The Powers of Local Government in Michigan: An Outline and Discussion of the Government, Powers and Finances of Counties, Townships, Cities, and Villages.
- 7:2-57 Resistance to Governmental Reorganization.

LOCAL GOVERNMENT FINANCE

- 2:2-55 Local Government Policy-Making and New Residential Development.

MACHINE ANALYSIS

See AUTOMATIC DATA PROCESSING

MASTER PLANS

See CITY PLANS

MEDICAL SERVICES

- 5:1-17 Transportation and the utilization of medical services.
- 7:1-14 A Study of Hospital-Community Relations.

MENTAL HEALTH

See HEALTH, MENTAL

METROPOLITAN AREA GOVERNMENT

- 6:2-10 A Comparative Study of Politics in Ten to Fifteen of the Larger Metropolitan Areas of the United States.
- 6:2-22 Utility of Boston's Metropolitan District Commission.
- 7:2-19 Functional Areal Organization of Local Government in Hamilton County, Ohio.
- 7:2-33 Mapping the Political characteristics of Medium-Size Metropolitan Areas.
- 7:2-37 A Comparative Study of Politics in Ten to Fifteen of the Larger Metropolitan Areas of the United States.
- 7:2-40 Miami Metropolitan Government.

METROPOLITAN AREA PLANNING

- 2:2-40 Metropolitan Area Planning.

METROPOLITAN AREAS

- 1:1-15 Comparative analysis of large metropolitan areas.
- 1:1-28 Changing residential patterns in metropolitan areas.
- 1:1-31 Urban growth and structure.
- 3:1-27 Metropolitan growth and the conversion of land to non-agricultural uses.
- 3:2-30 Alternative Metropolitan Spatial Structures.
- 4:1-22 Distribution of population in relation to center in metropolitan areas.
- 4:2-38 Employment linkages in a small metropolitan area.
- 5:2-12 A study of the linkage pattern between a central city and the communities within its region of influence.
- 5:2-26 Determination of the telephone hinterland of metropolitan Chicago.
- 6:1-24 Interindustry relations of a metropolitan area.
- 7:1-6 Mapping the political characteristics of medium-size metropolitan areas.
- 7:1-23 Economic inter-relations in the Piedmont industrial crescent.
- 7:2-44 Metropolitan Transportation.

MIGRATION

- 7:2-3 Interaction between discrimination, interregional migration and regional economic development.

MOBILE HOME PARKS

See TRAILER PARKS

MORTGAGES

- 7:2-12 Mortgage Lending in California, 1950-1960.
7:2-13 Junior Mortgage Lending in Los Angeles County, 1958-1959.

MUNICIPAL FINANCE

- 2:1-20 Industry and community finances.
3:2-35 An analysis of the Financial Feasibility of Rehabilitation in an Urban Renewal Area within the Framework of Available or Potential Mortgage Financing Aid.
4:2-26 Land use related to selected fiscal issues.
6:1-14 Financial aspects of an urban renewal program.
7:1-16 Local government debt in Michigan.

MUNICIPAL SERVICE

- 6:2-30 Industry and City Government: A Study of New Industry in Ten North Carolina Cities.

NEGROES

- 2:2-48 Philadelphia - Eastwick Housing Market Analysis.
5:2-1 New housing for negroes: Recent experience.
6:2-15 Issues of Race in Northern Cities.
7:1-24 Demand for housing in racially mixed areas.
7:2-3 Interaction between discrimination, interregional migration and regional economic development.
7:2-17 The Use of County Records and City Directories in Studying Transition Areas.

See also DISCRIMINATION IN HOUSING

NEIGHBORHOOD CONSERVATION

- 3:2-35 An analysis of the Financial Feasibility of Rehabilitation in an Urban Renewal Area within the Framework of Available or Potential Mortgage Financing Aid.
- 7:2-23 The Rehabilitation of Multiple Dwelling.

NEIGHBORHOOD PLANNING

- 7:2-43 Urban Living Qualities from the Vantage Point of the Elderly.

NEIGHBORHOODS

- 1:2-36 A re-examination of the neighborhood theory as a planning concept.
- 2:1-24 A new concept for the physical layout of the urban neighborhood.

OFFICES

- 1:1-32 The location of headquarter offices in the San Francisco Bay area.
- 2:1-14 The location of top administrative offices in the San Francisco Bay area.
- 3:1-10 Locational factors for the office function of industry.
- 4:1-3 The suburbanization of administrative offices in the San Francisco Bay area.

See also BUSINESS DISTRICTS and CENTRAL BUSINESS DISTRICTS

OLD AGE

- 5:2-8 Study of housing needs of the aged.
- 6:1-12 Study of housing needs of the aged.
- 7:1-3 Housing for the elderly.
- 7:2-43 Urban Living Qualities from the Vantage Point of the Elderly.

OPEN SPACE

- 3:2-52 Contemporary Design of Community of Open Spaces.
- 7:1-4 Open space in the Chicago Metropolitan Area.
- 7:1-22 The race for open space.
- 7:2-32 State Recreation and Open Space Study (Illinois).

ORIGIN-DESTINATION STUDIES

See TRAVEL PATTERNS

PARKING

2:2-52 Parking as a Factor in Business.

PARKS

2:1-27 Planning for recreation and park areas and facilities in California.

3:1-9 Pedestrian parks.

PLANNING

See CITY PLANNING and METROPOLITAN AREA PLANNING

PLANNING ADMINISTRATION

1:2-35 The planning function in medium-sized cities.

3:2-44 The Role of the Planning Director in a Council-Manager form of City Government.

5:1-5 Planning and renewal policies, plans, projects.

See also ZONING ADMINISTRATION

PLANNING EDUCATION

See CITY PLANNING - STUDY AND TEACHING

POPULATION

1:2-37 A method for relating population distribution to a changing economic structure.

2:1-12 Future population characteristics in the New Jersey-New York-Connecticut Metropolitan Region.

2:2-36 The Population of the United States: Trends in Size, Composition and Distribution, 1790-1955.

3:1-28 The current population of counties, cities, and sub-areas within cities in Illinois, by age and sex.

4:1-22 Distribution of population in relation to center in metropolitan areas.

POPULATION (continued)

- 5:1-3 Changes in urban occupancy of flood plains in the United States.
- 7:2-14 Population Changes in the Cincinnati Metropolitan Area, 1950-1960: An Exploratory Analysis of Demographic Dynamics and their Methodological Implications.
- 7:2-16 Changing Population Densities in Ohio, 1900-1950.
- 7:2-26 Population versus Planning.

See also MIGRATION

POPULATION, DAYTIME

- 1:1-16 Daytime population in central business districts: an analysis of cities of different size.

POPULATION FORECASTS

- 1:2-44 Forecasting population for the New York Metropolitan Region.
- 5:1-11 People, jobs and Land 1955-1975 in the New Jersey-New York-Connecticut Metropolitan region.

PREFABRICATED HOUSING

See HOUSING, PREFABRICATED

PROPERTY VALUES

- 1:2-29 Central city property values in San Francisco and Oakland.
- 7:2-17 The Use of County Records and City Directories in Studying Transition Areas.
- 7:2-22 Residential Relocation Revisited.

PUBLIC ENTERPRISE ECONOMICS

- 7:2-7 Public enterprise economics and transport problems.

PUBLIC HOUSING

- 1:2-45 Housing adequacy in suburban areas.
- 1:2-51 Master Plan for the Development of Puerto Rico Public Housing and Slum Clearance.
- 4:2-35 High cost of public housing.

PUBLIC WORKS

- 6:2-25 Public Works Planning In Illinois.

RAILROADS

- 1:1-2 Railroad problems in urban planning.

RAPID TRANSIT

- 2:1-27 Planning for recreation and park areas and facilities in California.
- 4:1-4 A study of the practice and theory of airport financing based on a survey of California airports.
- 6:1-6 The building industry in California: a study of management in action.
- 7:1-3 Housing for the elderly.
- 7:2-6 An economic approach to the distribution of highway tax revenues in California.
- 7:2-9 A study of general aviation in California.
- 7:2-12 Mortgage lending in California, 1950-1960.

CAMBRIDGE, MASSACHUSETTS

- 2:2-41 The institution and the community - planning for institutions of higher education.

CANADA

- 2:1-23 Comprehensive urban development and federal government housing policies in Canada.
- 4:1-20 An analysis of highway finance and road user imposts in Canada.
- 4:2-25 Community planning and housing: an aspect of Canadian federalism.

CHAMPAIGN, ILLINOIS

- 7:2-29 Survey literature on inter-community travel.

CHAMPAIGN-URBANA, ILLINOIS

- 5:2-12 A study of the linkage pattern between a central city and the communities within its region of influence.
- 5:2-15 Measurement of apartment building equity investment experience.

CHICAGO, ILLINOIS

- 3:1-1 Urban renewal in a Chicago neighborhood: an appraisal of the Hyde Park-Kenwood renewal program.
- 3:1-20 Pre-building growth patterns of Chicago.
- 4:2-30 The port of Chicago and the St. Lawrence Seaway.
- 5:2-2 Survey of vacant land within the corporate limits of Chicago.
- 5:2-4 A statistical and analytical summary of all non-residential construction for the city of Chicago from 1953 to the present.
- 6:1-7 A study of the catalytic effects of urban redevelopment projects on their surrounding areas in west central Chicago.

CHICAGO METROPOLITAN AREA

- 3:1-4 Land use and traffic generation (C.A.T.S.).
- 3:1-5 Distribution of traffic (C.A.T.S.).
- 3:1-6 Structural analysis of urban development.
- 3:2-39 Manufacturing structure and pattern of Waukegan-North Chicago.
- 4:1-7 Relationships of measures of intro-urban accessibility to intensity and type of land use.

CHICAGO METROPOLITAN AREA (continued)

- 4:2-31 The scrap iron and steel industry in the Chicago metropolitan area - a study in wholesaling land use.
- 5:1-2 The scrap iron and steel industry in the Chicago metropolitan area - a study in wholesaling land use.
- 5:2-3 A study of the movement of industry within the metropolitan area of Chicago.
- 5:2-26 Determination of the telephone hinterland of metropolitan Chicago.
- 6:1-17 Impact (by 1965) of the St. Lawrence Seaway on industrial development in the Chicago standard metropolitan area and its Illinois hinterland.
- 6:2-5 Minimum cost spacing of arterials and expressways.
- 7:1-4 Open space in the Chicago metropolitan area.
- 7:1-5 Benefit-cost travel cost analysis.
- 7:1-7 The St. Lawrence Seaway: its impact (by 1965) upon industry of metropolitan Chicago and Illinois waterway-associated areas.

CINCINNATI METROPOLITAN AREA

- 7:2-14 Population changes in the Cincinnati metropolitan area, 1950-1960: an exploratory analysis of demographic dynamics and their methodological implications.
- 7:2-15 A land use comparison for the years 1950 to 1960 of the Cincinnati metropolitan analysis area.

CINCINNATI, OHIO

- 6:2-33 Use of the electrical field theory in predicting population movement.
- 7:2-2 Community conference program.
- 7:2-17 The use of county records and city directories in studying transition areas.
- 7:2-18 Existing zoning regulations on vacant land in the Cincinnati standard metropolitan area.

CONNECTICUT

- 4:1-9 The economic and social effects of the Connecticut turnpike in eastern Connecticut.
- 5:2-7 The economic and social effects of the Connecticut turnpike on eastern connecticut.

DECATUR, ILLINOIS

- 4:1-13 Patterns of employee residence in relation to place of work in Decatur, Illinois.
- 4:2-38 Employment linkages in a small metropolitan area.
- 5:2-11 Pattern of employee residence in relation to place of work in the Decatur, Illinois region.

DELAWARE COUNTY

- 6:1-22 Planning and expressway location selection - a case study.

DELAWARE RIVER VALLEY

- 3:2-53 Methods of projecting long-range industrial development trends.
- 7:2-55

DETROIT METROPOLITAN AREA

- 1:1-22 Seasonal variations in urban traffic.
- 1:1-23 Traffic diversion to an expressway.
- 1:1-24 The relation of land use and traffic generation.
- 3:1-16 Detroit Metropolitan area transportation study.
- 3:2-43 Study of the expansion trends in the automobile industry.
- 5:1-4 Regional planning research.
- 6:1-14 Financial aspects of an urban renewal program.
- 7:2-62 Data sources for regional accounts.

DURHAM, NORTH CAROLINA

- 7:2-43 Urban living qualities from the vantage point of the elderly.

EGYPT

- 1:1-6 Building height and coverage regulations in Egypt and the U. S.
- 2:2-43 Rural housing reconstruction in Egypt.

EUROPE

- 3:2-36 Free ports and foreign trade zones of the United States and northern Europe.

FAIRFAX COUNTY, VIRGINIA

- 6:1-26 An analysis of the nonbasic industrial development potential of Fairfax County, Virginia.

FRANCE

- 6:2-14 Evaluation of differences in development patterns of French cities.

GEORGIA

- 5:2-10 Analysis of intercounty commuting of workers in Georgia.

GREAT BRITAIN

- 6:1-1 The social goals of contemporary British town planning.
- 6:1-1 and
7:2-4 The social goals of contemporary British town planning.
- 6:2-9 British legislative provisions governing compulsory acquisitions of land.

GREENSBORO, NORTH CAROLINA - METROPOLITAN AREA

- 3:1-26 Suburban growth and the extension of municipal services.
- 3:2-49 Suburban growth and the extension of municipal services.
- 7:2-43 Urban living qualities from the vantage point of the elderly.

GUILFORD COUNTY, NORTH CAROLINA

- 6:2-29 Factors influencing land development patterns: An investigation of the relationship between the location of residential subdivisions, major highways, and industries in Guilford County, North Carolina.

HAMILTON COUNTY, OHIO

- 7:2-19 Functional areal organization of local government in Hamilton County, Ohio.

ILLINOIS

- 3:1-18 Vehicular speed regulation.
- 3:1-19 Land uses in small Illinois communities.
- 3:1-28 The current population of counties, cities, and subareas within cities in Illinois, by age and sex.
- 4:1-12 Graphic and verbal record of highway environment.
- 6:2-25 Public works planning in Illinois.
- 6:2-26 County zoning administration in Illinois.
- 7:1-6 Mapping the political characteristics of medium-size metropolitan areas.
- 7:2-30 County income study.
- 7:2-31 State planning for Illinois.
- 7:2-32 State recreation and open space study (Illinois).
- 7:2-33 Mapping the political characteristics of medium-size metropolitan areas.

INDIANA

- 4:1-18 The use of urban characteristics in estimating internal travel patterns.
- 4:1-19 Rural highway classification and evaluation procedures for Indiana counties.

IOWA

- 5:2-27 The development of the pattern of retail trade centers in a selected area of southwestern Iowa.

IRAN

- 3:1-11 Measures prerequisite to the development of land and water in Iran.

KOKOMO, INDIANA

- 4:2-42 Effect of non-limited access by passes on two cities.
- 5:2-19 An evaluation of two non-limited access bypasses in Indiana.

LAFAYETTE, INDIANA

- 4:2-43 The estimated effects of four proposed shopping centers on metropolitan Lafayette, Indiana.
- 6:2-33 Use of the Electrical Field Theory in Predicting Population Movement.

LANSING, MICHIGAN

- 7:1-13 Comparative study of white collar and blue collar suburban developments.

LATIN AMERICA

- 4:2-27 Urban planning in relation to urbanization trends in Latin America.

LEBANON, INDIANA

- 4:2-42 Effect of non-limited access by passes on two cities.
- 5:2-19 An evaluation of two non-limited access by passes in Indiana.

LOS ANGELES, CALIFORNIA

- 6:1-5 Real estate as an investment alternative.
- 6:2-3 Study of Bunker Hill Urban Redevelopment Project in Los Angeles.

LOS ANGELES COUNTY

- 6:1-4 Sampling of publicly-available local data.
- 7:2-13 Junior Mortgage Lending in Los Angeles County, 1958-1959.

LOS ANGELES METROPOLITAN AREA

- 1:1-33 Changes in locational patterns of selected economic activities in San Francisco-Oakland and Los Angeles metropolitan area cities.
- 6:1-3 Land use patterns in Los Angeles 1924-1954.
- 7:2-11 Demand for Outdoor Recreational Facilities Generated by the Growth of Los Angeles.

MADISON, WISCONSIN

- 2:2-38 The Dynamics in the Location of Non-Retail Functions in the Central Business District.

MARLBORO, MASSACHUSETTS

- 1:2-49 A study of the function of Marlboro, Mass., as a breaking point city between Boston and Worchester.

MARYSVILLE, WASHINGTON

- 4:2-46 Highway transportation and urban economic activities: The Case of Marysville, Washington.
- 5:2-20 Geographic impact of highway improvement.

MASSACHUSETTS

- 3:2-44 The Role of the Director in A Council-Manager Form of City Government.
- 4:1-14 Economic study of impact of Massachusetts highway 128 on adjacent land use.
- 5:1-9 Study of economic impact of Massachusetts route 128.

MERAMEC BASIN

- 7:2-58 Meramec Basin Research Project.

MIAMI METROPOLITAN AREA

- 7:2-40 Miami Metropolitan Government.

MICHIGAN

- 6:2-34 Estimation by Sample Survey Methods of Highway Needs for County Primary Road Systems in Michigan and Minnesota.
- 7:1-16 Local government debt in Michigan.
- 7:1-18 Public authorities in Michigan.
- 7:2-56 The Powers of Local Government in Michigan: An Outline and Discussion of the Government, Powers and Finances of Counties, Townships, Cities and Villages.

MIDLAND-ODESSA, TEXAS

- 4:2-32 The oil city central Business district as exemplified by the Midland-Odessa (Texas) combine.

MINNESOTA

- 6:2-34 Estimation by Sample Survey Methods of Highway Needs for County Primary Road Systems in Michigan and Minnesota.

MONTGOMERY COUNTY, MARYLAND

7:2-26 Population versus Planning.

NEWARK, NEW JERSEY

7:2-22 Residential Relocation Revisited.

7:2-49 Residential Renewal Priorities - A Financial Analysis.

NEW ENGLAND

3:2-50 Expenditures and Regulatory Requirements for Publicly provided Community Facilities in New and Existing Residential Areas.

NEW JERSEY - NEW YORK - CONNECTICUT METROPOLITAN AREA

5:1-11 People, jobs and land 1955-1975 in the New Jersey - New York - Connecticut Metropolitan region.

NEW YORK METROPOLITAN AREA

1:1-25 Employment trends, 1942-1951, in the New Jersey - New York - Connecticut Metropolitan region.

1:2-44 Forecasting population for the New York metropolitan region.

2:1-12 Future population characteristics in the New Jersey - New York - Connecticut Metropolitan Region.

2:1-24 A new concept for the physical layout of the urban neighborhood.

3:1-23 Journey to work in the New Jersey - New York - Connecticut Metropolitan Region.

3:1-24 Zoning advances in the New Jersey - New York - Connecticut Metropolitan region.

7:1-21 Nature in the metropolis.

7:1-22 The race for open space.

NEW YORK, NEW YORK

2:1-7 Experience in Urban Real Estate Investment: An Interim Report Based on New York City Properties.

2:1-26 A syllabus for teaching housing and town planning in the junior and senior high schools of New York city.

2:2-57 Residential Densities in New York City.

NEW YORK, NEW YORK (continued)

- 3:1-8 An approach to long-range school planning, with special reference to New York City.
- 6:1-28 Staggering of work hours in the city of New York to relieve transit congestion.
- 7:2-25 A Renewal Program for an Urban Neighborhood in Manhattan.
- 7:2-27 Urban Renewal in East Harlem, New York.

NEW YORK STATE

- 3:1-14 Criteria for improved housing design based on family living characteristics.
- 3:1-15 Adjustments in the rural housing inventory in selected region of New York State.
- 4:1-10 Home buying and financing trends in selected urban area of New York State.
- 5:2-9 Home buying and financing trends in selected urban areas of New York state.
- 6:1-11 Home buying and financing trends in selected urban areas of New York state.

NORTH CAROLINA

- 1:2-35 The planning function in medium-sized cities.
- 2:2-34 Long-Range Hurricane Rehabilitation.
- 6:2-30 Industry and City Government: A Study of New Industry in Ten North Carolina Cities.

NORTHEAST

- 2:1-1 Commuting Patterns of Industrial Workers: A Study of Experience since 1940 in the Northeast Region.

NORTHEASTERN U.S.

- 1:1-18 Journey to work in northeastern United States.

NYACK, NEW YORK

- 7:2-28 A Community Renewal Program for the Village of Nyack, New York.

OAKLAND, CALIFORNIA

- 1:1-29 Central city property values in San Francisco and Oakland.
- 3:2-33 Use-Distance Standards for Selected Recreation Facilities in East Oakland.

OAKLAND METROPOLITAN AREA

- 1:1-33 Changes in locational patterns of selected economic activities in San Francisco-Oakland and Los Angeles metropolitan area cities.

ODESSA-MIDLAND, TEXAS

- 5:2-25 A comparison of two oil city business centers: Odessa-Midland, Texas.
- 6:1-10 A comparison of two oil city business centers: Odessa-Midland, Texas.

OHIO

- 7:2-16 Changing Population Densities in Ohio, 1900-1950.

PACIFIC NORTHWEST

- 1:2-41 Analysis of a regional economy: The role of hydro-electric power in the development of the Pacific Northwest.

PENN-JERSEY TRANSPORTATION STUDY

- 7:2-58

PHILADELPHIA METROPOLITAN AREA

- 1:1-13 Economic development for industrial land and facilities.
- 2:1-2 City of Philadelphia Industrial Land and Facilities Requirements.
- 2:2-47 Philadelphia Metropolitan Area Industrial Land and Facilities Requirements.

PHILADELPHIA, PENNSYLVANIA

- 1:2-43 Eastwick housing market analysis.
- 2:2-48 Philadelphia Eastwick Housing Market Analysis.
- 2:1-3 Philadelphia Eastwick Housing Market Analysis.

PHILADELPHIA, PENNSYLVANIA (continued)

- 4:1-16 Land use inventory.
- 4:1-17 Commercial Land Use Projection for Philadelphia.
- 4:1-22 Distribution of population in relation to center in metropolitan areas.
- 6:1-22 Planning and expressway location selection - A case study.

PIEDMONT INDUSTRIAL CRESCENT

- 4:2-40 Metropolitan development problems in the Piedmont Industrial Crescent.
- 7:1-23 Economic inter-relations in the Piedmont industrial crescent.
- 7:2-42 Labor Mobility Patterns in the Piedmont Industrial Crescent.

PITTSBURGH METROPOLITAN AREA

- 7:2-51 Economic Study of the Pittsburgh Region.

PITTSBURGH AREA TRANSPORTATION STUDY

- 7:2-59 Pittsburgh Area Transportation Study.

PUERTO RICO

- 1:2-51 Master Plan for the Development of Puerto Rico Public Housing and Slum Clearance.
- 1:2-53 United States - Puerto Rico Economic Relations.
- 2:1-22 Housing problems and policies in a developing economy - the commonwealth of Puerto Rico.
- 6:2-6 Federal Aids to Slum Clearance in Puerto Rico, 1950-1955

PUGET SOUND, WASHINGTON

- 5:1-12 Dynamics of urbanization as expressed in the physical community.

SAN FRANCISCO BAY AREA

- 1:1-27 Industrial zoning in the San Francisco bay area.
- 1:1-31 Urban growth and structure.

SAN FRANCISCO BAY AREA (continued)

- 1:1-31 Urban growth and structure.
- 1:1-32 The location of headquarter offices in the San Francisco Bay Area.
- 1:1-33 Changes in locational patterns of selected economic activities in San Francisco-Oakland and Los Angeles metropolitan area cities.
- 2:1-14 The location of top administrative offices in the San Francisco Bay Area.
- 3:2-34 Growth of San Francisco Bay Area Urban Core.
- 4:1-3 The suburbanization of administrative offices in the San Francisco Bay area.
- 7:2-8 Studies in traffic patterns in relation to capacity deficiencies.

SAN FRANCISCO, CALIFORNIA

- 1:1-29 Central city property values in San Francisco and Oakland.
- 1:2-59 A case study of land use in San Francisco.
- 4:1-5 A study of express bus operation on freeways.
- 7:1-2 Cost-benefit analysis in city and regional planning.

SANTA CLARA VALLEY, CALIFORNIA

- 2:1-13 The impact of urbanization on agriculture in Santa Clara Valley.

SAVANNAH RIVER

- 1:1-7 Savannah River Urbanization Study.
- 1:2-38 Selected planning and development problems of rural areas experiencing industrialization and rapid urbanization.

SOUTHEAST

- 1:2-40 Aspects of the urban Southeast: As related to city growth, development and planning.
- 7:2-57 Southeastern River Basins Study.

SOUTHERN ILLINOIS

- 1:2-55 Government and the Depressed Area: A Study of Southern Illinois.

SOUTHERN STATES

2:1-16 A survey of urban research in Southern educational institutions.

4:1-15 Emerging patterns of metropolitanism in the South.

SPOKANE, WASHINGTON

5:1-15 An aggregation analysis of arterial business.

ST. CLOUD, MINNESOTA

5:1-1 Political areal functional organization; with special reference to St. Cloud, Minnesota.

TENNESSEE VALLEY

2:1-4 The Spatial Structure of Economic Development in the Tennessee Valley Region: A Study in Regional Planning.

3:1-3 The spatial structure of economic development in the Tennessee Valley Region 1930-1950.

TOLEDO, OHIO

3:1-2 Planning for a metropolitan university.

TORONTO METROPOLITAN AREA

4:1-21 Percentage of employed persons using public transit for the journey to work.

4:1-23 Population and employment as generators of truck trips and truck miles.

TRENTON-CAMDEN METROPOLITAN AREA

1:1-14 Regional analysis: state socio-economic region II - the Trenton-Camden metropolitan area.

UGANDA, BRITISH EAST AFRICA

4:2-29 The alien towns: Patterns of settlement in Busoga, Uganda.

6:1-9 The Alien town: Patterns of settlement in Busoga, Uganda.

U. S. S. R.

1:1-8 Soviet City and Regional Planning.

WABASH - MAUMEE RIVERS

- 6:2-32 A Proposed Navigable Waterway for the Wabash and Maumee Rivers.

WABASH RIVER VALLEY

- 4:2-37 Research planning for the development of a river valley.

WASHINGTON (State)

- 4:2-48 Urban freeway development and financing.

- 5:1-21 Washington highway impact studies.

WORCESTER, MASSACHUSETTS

- 1:2-48 The Coincidence of Certain Types of Establishments with the Edge of the Central Business District.
- 3:2-40 Delimitation of High Quality Residential Land Use in Worcester, Massachusetts.
- 3:2-41 Evolution of the Central Business District of Worcester, Massachusetts.
- 4:1-8 Evolution of the Central Business District of Worcester, Massachusetts.
- 7:2-20 Tax-exempt Property in Worcester, Massachusetts.
